Strategic + Transport Town Planning

Professional Profile

Hope Watson

Hope is interested in sustainable development and ensuring planning decisions are strategic, facilitating improved outcomes for both the human and biophysical environment.

Hope enjoys delivering positive planning and environmental outcomes for her clients and the community. She has spent over 15 years working as an environmental and planning professional in NSW and the ACT in both consulting and government.

Hope enjoys competing in Ultimate Frisbee, a highlight was winning a bronze medal at the World Ultimate Championships in London in 2016 with the Australian women's master's team. Hope and her family built a small, sustainable, 8 star rated home in Wright. She also enjoys hanging out with her family, mountain biking and appreciating the outdoors.
